

## Rubber Traffic Cone

**All Rubber Cone with different exterior, we also could produce it base on your design!**

### Features of Rubber cones:

- 100% Rubber flow-molded "one piece design" means no seams to split or tear, as well as easier stacking.
- Brilliant fluorescent red/orange with UV inhibitors on both the surface and inner layer.
- Superior flexibility in heat and cold - bounces back from an impact.
- Wide body design ensures stability.
- Highly reflective positioned sleeve.

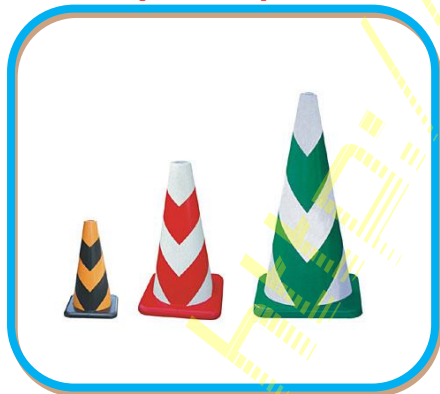

### Dimension of Rubber Cones:
